Liu Chuanzhi | 柳传志

Chairman, China Entrepreneur Club (CEC)

Chairman of the Board, Legend Holdings Limited

Liu Chuanzhi is recognized as the “Godfather of Chinese private business”. Liu founded Legend Holdings Limited in 1984 with funding from the Computing Institute of the Chinese Academy of Sciences, where he used to work as a researcher. Liu is a pioneer of Chinese entrepreneurship and has been recognized as one of the “10 Most Powerful Business People in China” (*Fortune/CNN*, 2012). Lenovo, as one of the ‘great companies’ built under Legend Holdings, is in Mr. Liu’s words a “family business without kinship”.

Legend Holdings has become a conglomerate covering both industrial and investment businesses, and has built a number of industry leading subsidiary companies such as Lenovo, Digital China, Legend Capital, Hony Capital, and Raycom Real Estate. Since the acquisition of IBM PC Division, Lenovo has become the world’s largest PC maker and a Fortune Global 500 Company. Legend Holdings is currently expanding into new business areas of Consumer and Modern Services, New Chemical Materials, and Modern Agribusiness.

Ding Liguang | 丁立国

Executive Chairman, Delong Holding Limited

Under Ding Liguang's leadership, Delong Holdings was the first Chinese private iron and steel enterprise to be listed on the Singapore Stock Exchange.

In August 1992, Ding established Tangshan Great Wall Steel Rolling Co., Ltd. and served as the general manager of the company. From 1993 to 1998, he served as the Chairman of Tangshan City Great Wall Corporation. In 1995, he founded Liguang Group and took office as the Chairman. In 2000, he acquired Xingtai Iron and Steel Company – a company under a RMB 240 million debt at the time – and renamed it as Delong Iron and Steel Industrial Co., Ltd.

In 2005, Delong Holdings – a company that deals with mineral resources, iron and steel production and mining – was listed on the Singapore Stock Exchange as the first private iron and steel enterprise in China. Delong Holdings owns Delong Iron and Steel Co., Ltd., Dezhong International Finance Leasing Co., Ltd., Delong Machinery & Mill Roll Co., Ltd, Xingtai New Dragon Gas Co., Ltd., Asia Role Models Ltd. and Dexin Steel (Singapore) Limited. .

Ding was born in Hebei Province, and graduated with a degree in Machine Manufacturing from the Hebei Institute of Technology.

Jack Ma | 马云

Executive Chairman, Alibaba Group

In 1995, Ma founded China Yellowpages, widely believed to be China's first Internet-based company. From 1998 to 1999, Ma headed an information technology company established by the China International Electronic Commerce Center, a department of Ministry of Foreign Trade and Economic Cooperation. He founded Alibaba.com in 1999, a China-based business-to-business marketplace site which currently serves more than 79 million members from more than 240 countries and territories.

Ma now serves as Executive Chairman of Alibaba Group, which is a holding company with six major subsidiaries – Alibaba.com, Taobao Marketplace, Tmall, eTao, Alibaba Cloud Computing and Yahoo! China.

With the mission “to make it easy to do business anywhere”, Mr. Ma and Alibaba Group are dedicated to facilitating the growth of small and micro businesses, and enabling consumers to shop with pleasure, confidence and convenience. Alibaba Group portals handled over a trillion RMB in sales during 2012, more than Amazon and Ebay combined. Alibaba's Alipay accounts for about half of all online payments in China. Alibaba has announced plans to offer funding to SMEs starting this year. Alibaba Group also unveiled Cainiao Network Technology Co Ltd, to create a logistics network as a part of Alibaba's bigger strategy to provide Internet infrastructure for startup companies and small vendors, connecting their online stores with a virtual logistics network.

Dennis Wang | 王中军

President and CEO, Huayi Brothers Media Co., Ltd.

Dennis Wang established Huayi Brothers Advertising Company with his younger brother Wang Zhonglei (*James Wang*) in 1994. By virtue of his performance-oriented work style, and keen insight into art and business, Dennis turned Huayi Brothers into the first private film investment company in 1998. Presently, Wang is mainly in charge of the strategic planning, capital operation and strategic business development of the company.

Huayi Brothers' current business structure incorporates films, TV dramas, and an artist agency. Huayi Brothers has produced many popular films and TV dramas in China, widely recognized as the bellwether among China's film making companies.

As the leader of the first Chinese media company involving capital operation, Dennis helped to bring about the first unsecured copyright pledge loan in China, realizing the first incorporation of media and finance. In 2009, Huayi Brothers was listed in the Growth Enterprise Market (GEM), becoming the first listed entertainment company in China.

In 2000, Li founded Beijing Geely University, a private higher vocational institution authorized to issuing state-recognized diplomas covering a variety of majors. Li holds a master's degree in engineering from Yan Shan University and is a member of the Chinese People's Political Consultative Conference, a central government consultative political body.

Geely's Hong Kong-listed shares more than doubled in the past year as shipments in 2012 climbed 15% from a year earlier to 483,483 vehicles. Geely, one of Forbes' Fab 50 top-performing big companies in Asia, is targeting 16% growth this year as it moves into the electric vehicle business through a planned joint venture with Nasdaq-listed Kandi Technologies Group which, like Geely, is headquartered in Zhejiang Province.

Thomson Li|李东生

Chairman of the Board & CEO, TCL Corporation

Thomson Dongsheng Li is the Chairman, CEO and founder of TCL Corporation. He is one of the most recognized business leaders in China. In 1982, Mr. Li graduated from South China University of Technology and began his career in TTK Home Electronic Appliances Co. Ltd, the predecessor of TCL. In 1985, he was appointed General Manager of the newly established joint venture, Telephone Communication Limited and subsequently he created the TCL brand. In 2003, Mr. Li was appointed as the Chairman and CEO of TCL Corporation, which was listed on the Shenzhen Stock Exchange afterwards. Under his leadership, TCL accomplished two landmark acquisitions: Thomson's television business and Alcatel's mobile phone business both in 2004. Now TCL has become a truly global enterprise with 60,000 employees in 80 countries.

Founded in 1981, TCL is one of the largest consumer electronics enterprises in China with a global presence. Over 30 years of consistently diligent efforts along with China's reform and opening-up policy, motivated by the company's focus on dedication and innovation, TCL has grown into a leading enterprise in China's electronics information industry. In 1999, TCL began forging its path into the globalized market. After years of promoting its brands in the emerging markets and partnering with well-established brands in the European and American markets, TCL is the pioneer in the drive for Chinese enterprises seeking both domestic and international recognition.

Yang Shaopeng | 杨绍鹏

Chairman and Executive Director, SITC International Holdings Co., Ltd.

Yang Shaopeng has over 33 years' experience in the shipping industry. Beginning in 1988, Yang worked as an assistant general manager at Sinotrans (Shandong) Co., Ltd. From September 1990, he served as the deputy manager in the storage and transportation department of SFTC, a state-owned foreign trade corporation. He started his business in 1991. In 1997, he reformed his business into an employee-owned private enterprise.

In 2006, he established SITC International Holdings Company as Chairman and Executive Director. SITC International was successfully listed on the HKSE in October 2010. SITC has held the title of China's largest non-state-owned shipping and Logistics Company since 2006. By the end of 2012, SITC operated 60 container vessels and 52 routes and covered over 40 major ports in 8 countries and regions, including China, Japan, Korea and nations throughout Southeast Asia. According to the statistics from Alphaliner, SITC International Holdings Company ranks 26th in the world's largest container shipping enterprises by its transport capacity in the December, 2012.

Yang holds an MBA from Asia International Open University. Yang also completed a CEO class in China Europe International Business School in 2004.

Jim Zhang | 张醒生

Director of Northeast Asia and Greater China, The Nature Conservancy (TNC)

Jim Zhang joined The Nature Conservancy (TNC) as the North Asia Region Managing Director in October 2008. Currently he serves as the Managing Director of the North East Asia Region and Great China.

Before joining TNC, Zhang worked for years in the telecommunications industry. He is regarded as one of the very few who are both equipped with global perspectives, localized managerial expertise and a keen sense of balance between work and life. Jim contributed thirteen years to Ericsson (China) where he held several positions including Executive Vice President & Chief Marketing Officer (CMO).

The Nature Conservancy (TNC) is one of the largest international organizations engaged in environmental protection and biodiversity conservation, with more than one million members in the U.S. alone, over 3000 employees globally, including 500 scientists. TNC has developed conservation programmes in over 30 countries over the past 60 years. In 1998, TNC was invited by the Chinese government to participate in the conservation projects both on the national and regional level. TNC China currently has more than 60 employees.

Zhang's influence has inspired groups of prominent Chinese entrepreneurs to join the cause of environmental protection.

Jim graduated from Beijing University of Posts and Telecommunications in 1977. He received a Master's degree in Information and Communication Management from the Norwegian Business School in December 1999.

Maggie Cheng | 程虹

Secretary-General, China Entrepreneur Club

Maggie Cheng has been General Manager and Secretary-General of the China Entrepreneur Club (CEC) since its establishment. She is also President of Daonong Centre for Enterprise, and Executive Publisher of Green Companies magazine.

Cheng has 15-years of experience in the media industry, serving as a journalist, editor, hostess, producer and other managerial posts. In 2006, Cheng was a core founder of the CEC and has been General Manager and Secretary-General ever since. As an NGO, the CEC has developed into the most influential and representative organization for business leaders in China in the past seven years.

Cheng has been actively devoted to promoting the internationalization of Chinese private businesses and populating the spirit of entrepreneurship in China. She initiated the annual International Visits of the China Entrepreneur Club, which have become one of the CEC's most important projects, with successful business missions to the United States (2011), the UK (2012) and France/Belgium (2013). The delegation was received with the highest respect and greatest hospitality by the host countries, marked by meetings held with international political leaders such as U.S. Vice President Joe Biden, Under Secretary Robert Hormats, former State Secretary Madeleine Albright and General Colin Powell, British Prime Minister David Cameron, French President Francois Hollande, United Nations Secretary-General Ban Ki-moon, and President of the European Commission José Manuel Barroso. The Annual Summit of Green Companies, a general non-profit initiative founded by Cheng has become one of the most well-known economic forums in China for international business leaders to explore sustainable development and business integrity. The Summit has been successfully held for six years, attracting more than one thousand participants from all around the globe each year.

Cheng majored in Journalism and Communications in college and received her EMBA degree from the China Europe International Business School (CEIBS).
