Full description of the activity (main product, services, core activity)

On the basis of national economic transformation and market opportunity of innovative development, CCUI adopts the strategy of international economic cooperation and strives for building an investment management platform which integrates industries and finance.

In terms of business model innovation, CCUI will carry out the "investment +" model to offer prescriptive financial advisory services to enterprises including but not limited to domestic/cross-border M&As, divestitures and onshore/offshore IPOs, in addition to providing varieties of capital solutions such as debt, equity, mezzanine that covers the entire capital structure.

In terms of the means of financial-industrial integration, CCUI will leverage cross-region, cross-sector, cross-platform and cross-system resources, facilitate the integration through direct investment, business network build-up, culture exhibition, online services and other multi-fold and multi-tier methods.
