TOOLS FOR ECONOMIC COOPERATION: LOOKING FORWARD TO A BRIGHTER 2021

The *High-Level Dialogue on ASEAN Italy Economic Relations* is the reference event in the ASEAN Region for strengthening economic and strategic ties between ASEAN countries and Italy.

The first three editions – Jakarta (2017), Singapore (2018) and Hanoi (2019) – gathered more than 1,000 Chairmen and CEOs of companies, Ministers and Institutional leaders from ASEAN Countries and Italy. The latest edition in Hanoi saw the attendance of both Prime Ministers of Italy and Vietnam along with the ASEAN Deputy Secretary-General and senior Ministers from the other ASEAN countries.

In the light of the COVID-19 pandemic, the High Level Dialogue 2020 turns into a cycle of 4 high-level digital Round Tables programmed from July 2020 to January 2021.

The 4th digital Round Table of the fourth edition of the *High Level Dialogue on ASEAN Italy Economic Relations* will take place on Thursday, January 21, from 9.15 am to 12.00 pm (CET time).

During the Round Table, we will deeply analyse the added value of the regional cooperation between Italy and ASEAN countries, focusing on which distinctive competences Italy can offer to ASEAN countries and vice versa. Furthermore, we will analyse the main and most effective tools to strengthen bilateral relations, ranging from financing mechanisms to free trade agreements.
