Deloitte.

Scientific Contributors

Side Event to the Ukraine Recovery Conference 2025

Connecting for Ukraine’s future prosperity:

Building a modern Ukraine through strategic investments, public-private partnerships, workforce development, and cross-sector innovation

The pre-event will lay the foundation for the URC 2025, informing the debate and fueling discussions among participants. It will favour **meaningful interactions** for **public sector**, **private sector** and **donors** to foster **partnerships** and **collaborations** on **recovery projects’ deployment** in Ukraine.

MAIN TOPICS

- Energy
- Infrastructure
- Advance Industry Manufacturing
- Aerospace & Digital Industry

PARTICIPANTS

- Ukrainian, Italian, EU and Global Institutions
- Ukrainian, Italian, EU and Global Businesses
- International Donors

FORMAT

The event will feature **four parallel matchmaking sessions** stimulating interactions and active participation among key reconstruction stakeholders. The sessions will focus on **use-cases** and opportunities, **encouraging participants** to suggest proposals and solutions for partnerships to more effectively deploy reconstruction projects.
